

DTM Dry Toner Label Stock

# Paper Antique White (RAW)

## Description

Paper Antique White label material has been designed as a high-quality wet strength paper specifically for use in labelling of all wine and beverage applications, as well as premium food labelling. Made of tough 130 µm paper it comes with an topcoated surface which is suitable for printing by usual dry toner electrographic label printers, such as Primera's CX-Series, OKI's Pro10-Series and more..

## Product Usage

All DTM Genuine certified dry toner materials are the ideal choice for labels printed on any electrographic label printer. Proper testing in the final application environment is recommended especially when used near water or chemicals. As with all pressure-sensitive materials, this product should be tested thoroughly under end-user conditions to ensure it will meet the requirements of the specific application.

## Shelf Time

2 years when stored away from sunlight and heat, in a dark, dry place at a temperature of +20 °C with a relative humidity of 50%. Prolonged storage at higher temperatures and/or humidity levels will shorten the shelf life.
