

FX810e/FX810ec Packing Instructions

Please retain all packaging materials!

Before shipping, the product must be packed properly to avoid damage. Any damage due to improper packaging is not covered under warranty. **Damages caused by improper packaging will be charged.**

Prepare unit and accessories for shipping

Preparing the unit:

To prepare your foil imprinter for shipping, please remove the label roll and the foil roll.

- Close the printhead.

- Close the cover and tape it.

- Bag the foil imprinter.

- Use the original packaging for the best protection.

Watch our Packing Video Tutorial at:
packing.dtm-print.eu

What about accessories?

For a quick handling please include all accessories in this box (cables, power cords, power adapters, media (if the problem is related to it), and so on) if available.

Any documents?

Please add the original failure description into the packaging. A printout of the email history should be included.

Shipping:

Please write the RMA number on the outside of the package.

Use the address below. Freight forward sent goods will not be accepted.

DTM Print GmbH
Support
Mainzer Strasse 131
65187 Wiesbaden
Germany

Further process:

Every incoming package will be identified by its **RMA number**. After repairment, the unit will be sent back to the recipient who contacted us for the RMA number. Amendments, such as change of shipping address, should be sent immediately.

The repair duration is approx. **5-12 working days**.

Thank you for your understanding.
